We hope you had a good summer—did I catch a glimpse of the sun at some point?

The Summer was the usual busy time for us at Riverside, with activities for children and young people. We took part in the Fun Day, as well as being part of Playday at the Arena. Our young people have been busy decorating our outdoor area too.

Now our attention turns to the new term and the restarting of all of our Projects. Remember that if there is something you would like to see us provide, then please get in touch.

We look forward to welcoming you to the Centre—why not check out our new website too?
