NEWS!

The Riverside Community Association is proud to announce that they have been awarded a Bronze Level London Youth Quality Mark, a quality assurance scheme, a programme accredited by City and Guilds.

The Association are the first voluntary organisation in the London Borough of Sutton to have achieved this.

The Quality Mark focuses on five key areas:

Safeguarding

Health, Safety and Resources

Staff and Volunteers

Young People

Management and Administration

In 2009 it was announced that [City and Guilds](#) were accrediting the London Youth Quality Mark with Chris Jones, Director-General City and Guilds saying...

'At City and Guilds developing the skills of people and organisations for their personal and economic growth comes first and last in everything that we do. This is why we are very excited with this new partnership created with London Youth, who we have supported to develop their Quality Mark Standards Programme. As their partner we are very happy for our name to be associated with the London Youth Quality Mark which we see as a way of helping us to realise our vision.'

For further information, please see: <http://www.londonyouth.org/supporting-youth-workers/quality-mark>

Riverside Community Association and all the staff and volunteers at the Riverside Centre would like to take this opportunity to welcome the new residents of Baywillow Avenue and Ferndale Crescent. We would also like to send our best wishes to all the residents of Durand Close who are also moving into their new homes in Fellowes Road.

We wish you all a very happy time in your new homes. Please don't forget you're still part of our community and we hope to see you enjoying the activities here at the Riverside Centre.

Residents may have noticed a lot of film crews working on and around Durand Close in the past 6 months. It seems that the local area is ideal for filming. The Riverside Centre has also played host to several film crews this year. In February Nonsense, a production company used the centre as a base while they shot an advert for Cancer Research UK.

“Back in February, we at Nonsense took over the Riverside Community Centre for four days in order to film a few videos as part of a campaign we have done for Cancer Research UK. The videos focus around a fictional rapper, Leatha Face, who’s obsessed with sunbeds and as a result has ridiculously orange skin. He thinks he’s the bee’s knees but each video shows he’s just a wannabe, at the same time underlining the huge dangers of using sunbeds and their connection with skin cancer. The shoot was a lot of fun and the campaign has been very successful but we would not have been able to do it without the huge help and generosity of all involved at the Riverside Centre as well as the residents of the Durand Close estate. Thank you!

Go to the Facebook page: <http://www.facebook.com/LeathaFaceUK> and YouTube channel <http://www.youtube.com/leathafaceuk> for the results of the filming “
